

Active participation  
In the arts is essential in  
Exploring personal identity  
& revealing insights  
into the human  
experience (life)

- Create art work by experimenting with & combining a wide range of Elements & Principles
- of Design /Processes & Technologies
- Consider the work habits of art professionals & career connections to Fine Arts
- Develop skills & techniques in a variety of styles, techniques & movements
- Develop personal answers to aesthetic questions

# modigliani

As you see images of Modigliani's art, take notes of elements that stand out (ie: long necks...)

**"Happiness is an angel  
with a serious face"**

1. Select a famous person /friend/ family member (have their pictures in your sketchbook.( email it to me to print)
2. Simplify the shape of the head (tilted?) and make it long and slim
3. Draw an outline of the shape of the hair
4. Add the eyes, attach the eyebrows to the nose
5. Draw very small lips
5. Add a very long (curved?) neck and the start of their shirt/shoulders
7. Paint with watercolor
3. Outline with ink pen/nib & ink
