

ANIMAL PINCH FLOWER POT

The
OBJECTIVE
of this
project is
to create
your own
animal
pinch
flower pot.

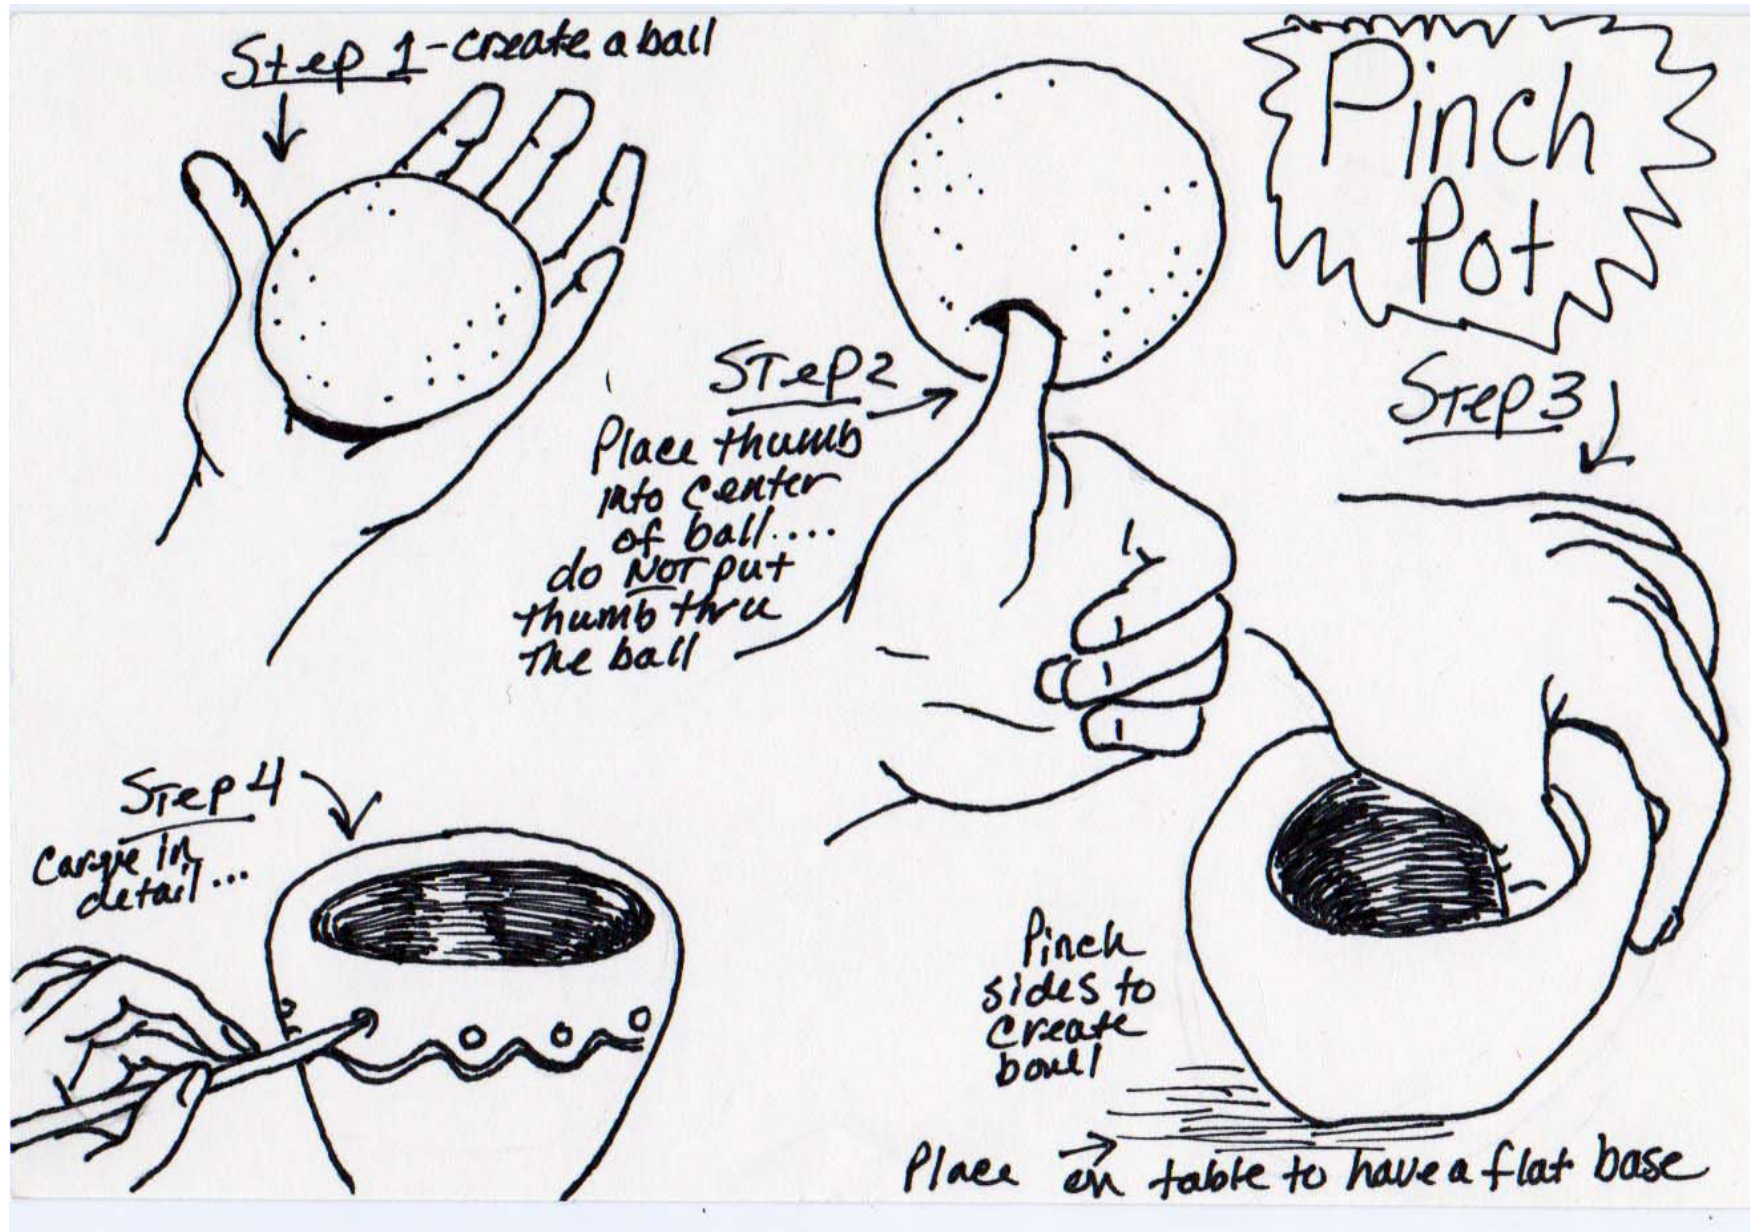

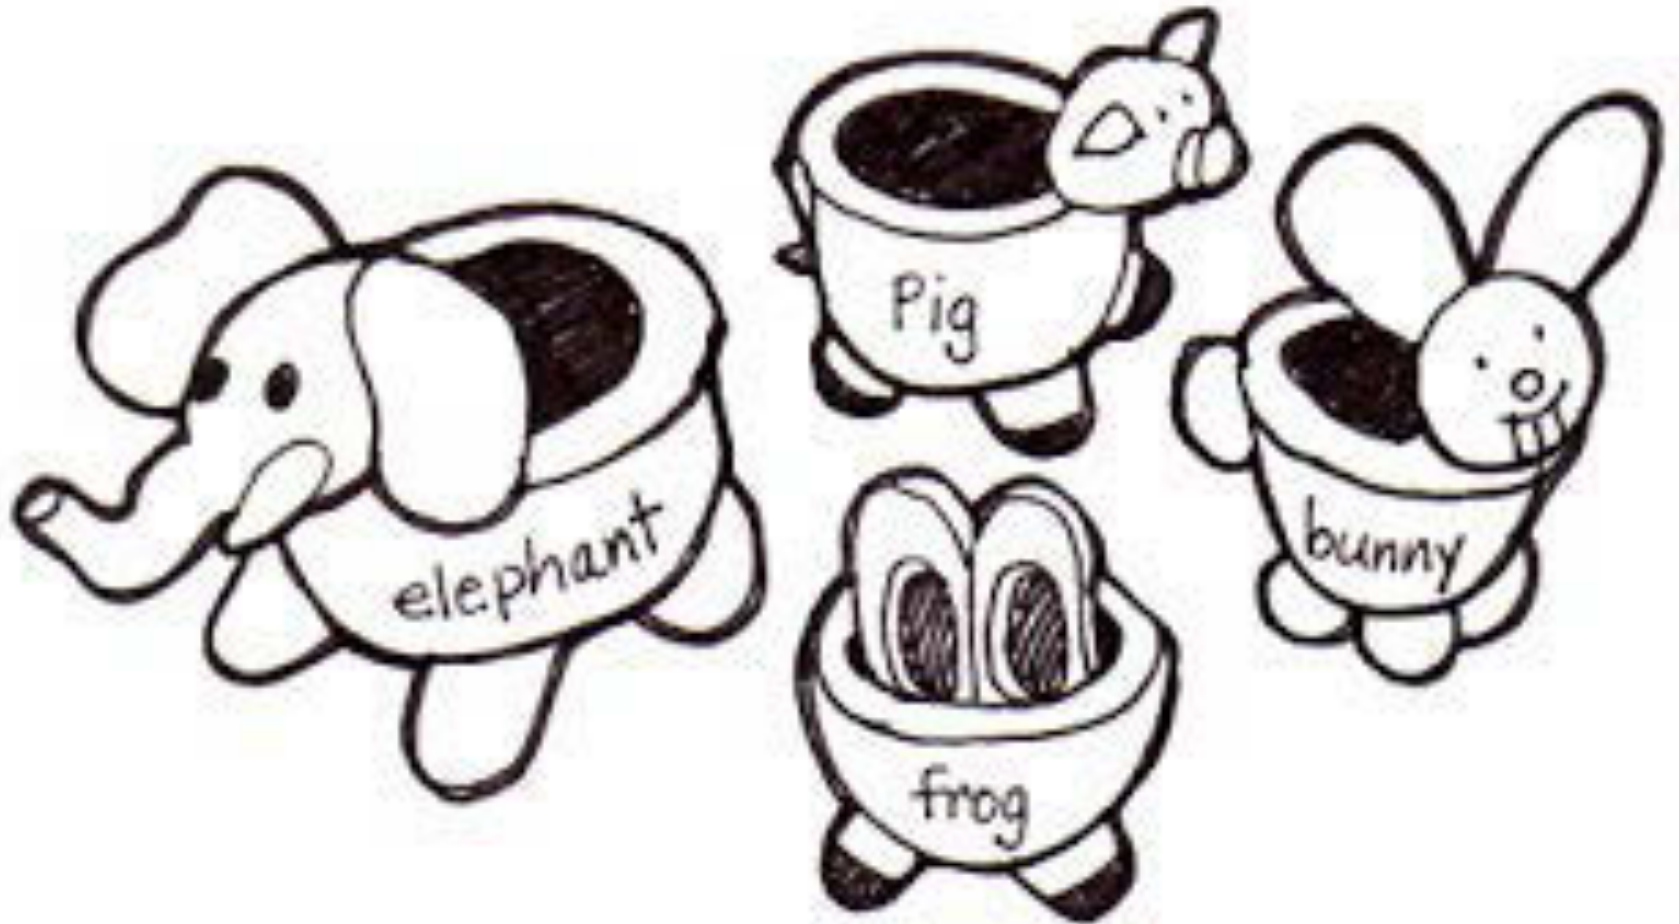

HOW TO START- STEPS 1-4:

Step 5- Once the pinch pot body is completed, it's time to add the animal features.

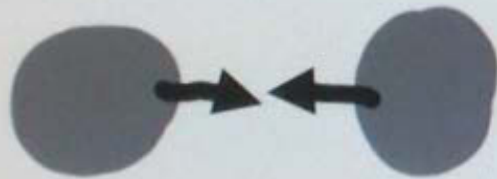

Don't forget to:

Score

Slip

Stick

Smooth

Step 6- When pinch pot is completed, make sure to use a damp sponge or brush to smooth the surface.

Step 7-
Let it dry!

Step 8- Fire projects in the kiln.

Step 9- Using Acrylic, paint projects. Make sure to get even paint coverage. Start on the inside, then the outside.

Step 10- Once paint is dry, apply clear top coat. Leave for an hour. Then add your plant and soil!
