Dear: Parents/Guardians of Ecole Salish Visual Arts 11 and 12 students,

Our Art class will be visiting the Vancouver Art Gallery for its latest exhibition of the artist and photographer, Cindy Sherman, as well as other artists. This will include a guided tour by Ms. Trujillo along with an art assignment to be completed on this trip.

Cindy Sherman (b. 1954) is one of the most important and influential artists working today. This major exhibition explores the development of Sherman's work from the beginning of her career in the mid-1970s to the present day. Sherman photographs herself in the guises of various fictitious characters using makeup, props, prosthetics, wigs and costumes, and is inspired by a range of cultural sources including film, advertising and fashion. Through these photographs of characters, Cindy Sherman raises questions about the meaning of appearances in our image-based society.

*****IMPORTANT:** This exhibition includes mature, and sexually explicit imagery/content which **WILL NOT** be included in the tour. Please initial here to confirm that this has been reviewed. *Parent initial:* _____
